CS notes 9/22/2026

In attendance:

Grace Murphy, Howard Cohen, Eva Myrth Robbins, Mary Smith, Kevin Bliss, Robyn Pollins, Kevin Smith, Laura R

August meeting minutes approved

Glasco Turnpike – Unanimously passed request for speed limit resolution to seek 35mph speed limit for the entire length of the road within Woodstock's town border.

Sherman Rd – residents still seeking a solution to make the intersection at Zena Rd safer.

Pine Grove Rd – residents asking to have shrubs cleared to make no parking signs visible and stop vehicles parking illegally.

Stop Zena Development – confirmed a letter was submitted to Woodstock Planning Board & Town of Ulster Town Supervisors & Planning Board members, stating the Woodstock Complete Streets Committee opposied to this development being built, due to how dangerous area roads are close to the planned development. GM recused for conflict-of-interest concern.

Tinker St TAP grant application – is in front of the commissioner, with results expected within the coming weeks. Also to confirm NYSDOT, to know if they are still not planning detours around the project area.

WooHu Trail – status pending a contract between Woodstock and from Verity Engineering.

Woodstock Bike/Pedestrian Master Plan – RFP status pending, for matching fund raising to begin.
