Re: **Lasher House Complex / Tinker Street and Library Lane, Woodstock, NY**

Dear Supervisor McKenna and Members of the Town Board:

We are the attorneys for Bearsville Center LLC, Homesick Blues LLC and their principal, Lizzie Vann, owners of the below-referenced properties.

We request that we are given a place on the Town Board's agenda for its next available open board meeting on October 14 or 21, to present our application for a minor amendment to the Woodstock Zoning Map pursuant to Article XIII of the Woodstock Zoning Law as it pertains to two of the tax parcels that comprise a portion of the subject properties.

A copy of Article XIII of the Woodstock Zoning Law as it relates to zoning map amendments is attached for your reference.

As required under the Zoning Law, our application seeks a resolution by the Town Board to refer this matter to the Woodstock Planning Board for a report and recommendation back to the Town Board for the zoning map amendment in accordance with the attached map prepared by Medenbach, Eggers and Carr, engineers and surveyors for the project.

Lizzie Vann, through her LLC's, began purchasing the properties that comprise the Lasher House and Library Properties, in September of 2023. The properties are comprised of the following tax lots:

1. Section: 27.54 / Block: 2 / Lot: 10.100 — Lasher Funeral Home 100 Tinker
2. Section: 27.54 / Block: 2 / Lot: 9 — Library Vacant Lot
3. Section: 27.54 / Block: 2 / Lot: 8 — 5 Library Lane Building Lot

As you may know, the LLCs, through Lizzie Vann, have invested significant sums in buildings within the environs of Woodstock, including improvements to the Bearsville Center property and

the Lasher House property. Work also has begun to stabilize the old Woodstock Library building in recent weeks.

The plan for the subject properties includes preserving their historical and architectural significance, whilst at the same time creating a property that will offer the town's citizens health and wellness facilities, plus economic development in line with the Town of Woodstock's Comprehensive Plan.

The requested zoning map amendment results from an anomaly in the town's existing zoning map.

In it:

- The district lines for the Hamlet Commercial and Hamlet Residential zoning districts run directly through the properties, even bisecting some of the buildings contained thereon (see attached map).
- This is likely the result of a drafting error which occurred when the zoning map was first created since the subject lots and buildings located thereon predate the existence of the map by multiple decades.
- The request is minor in nature and seeks a relocation of the existing zoning district lines affecting the properties by shifting the line approximately 150 feet to run along the northerly side of the property boundaries of the Lasher Hose and Library properties.

We now wish to rectify this anomaly, which limits certain otherwise permitted uses for the properties, and to bring conformity to this portion of the main commercial thoroughfare of the town.

It is our firm belief that this request does NOT create or result in spot zoning.

- Spot zoning is the singling out of a small parcel of land for a use classification different from the surrounding area, typically for the benefit of a private party and not in accordance with the municipality's comprehensive plan.
- To the contrary, in this case, the subject properties are already partially located within the Hamlet Commercial District and/or directly abut it and has historically been used in conformity with the permitted commercial uses found in the surrounding area.
- The proposed uses of subject properties are completely aligned with the 2018 Woodstock Comprehensive Plan (the "Comprehensive Plan"). More detail will be provided in a presentation to the Planning Board at the meeting to which we hope our matter will be heard.

Regarding compliance with SEQRA, please note that the proposed action is an Unlisted Action thereunder and a SEAF is attached for the Board's review.

As there is no known application form for the zoning map amendment request before the Town Board, please let this letter serve as the formal application for such request.

Re: **Lasher House Complex / Tinker Street and Library Lane, Woodstock, NY**

Dear Supervisor McKenna and Members of the Town Board:

We are the attorneys for Bearsville Center LLC, Homesick Blues LLC and their principal, Lizzie Vann, owners of the below-referenced properties.

As a follow up to our earlier correspondence from this morning regarding this matter, we would like to address whether the proposed action complies with the Woodstock 2018 Comprehensive Plan. In fact, the proposed action supports the Comprehensive Plan as follows (the referenced page numbers are keyed to the Comprehensive Plan pages):

Page 12 - The rental market in Woodstock has an historic vacancy rate of less than 1%. The combination of the high price of housing, the lack of high density zoning, the low availability of rentals, and the recent transfer of many possible rental homes from long-term to short-term accommodations, such as Airbnb, has created considerable difficulty for young families, and those with lower incomes, in the effort to find affordable housing.

Response: The proposed Project includes the design and implementation of affordable rental units.

Pages 16, 17, 21, 38 and 43 – Tech Is Evolving In the Hudson Valley, Healthcare Workforce and Business Incubator.

Response: The Project, at its core, includes a Tech and Business Incubator Space and Healthcare Related Spaces.

Additionally, the following uses and implementations are proposed:

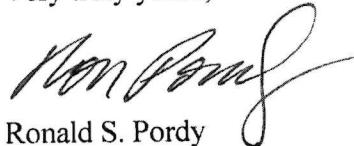

Page 28	<i>Expand the use of RE sources that reduce and control the use of fossil fuels</i>	We intend the whole complex from 5 Library Lane to 106 Tinker Street to be fueled by renewable energy.
Page 4	<i>Aim for smaller distributed housing projects</i>	2 sites within our property on which we would like to create apartments with multiple small units of housing.
Page 5	<i>Plan to maintain and expand recreational facilities</i>	We want to extend the Library into a much larger Park and add two natural ponds
Page 5	<i>Encourage economic sustainability by considering the establishment of a business incubator</i>	This is our plan for the Lasher barns.

Finally, please note that the proposed action is an Unlisted Action under SEQRA and a SEAF is attached for the Board's review.

Please do not hesitate to contact the undersigned with any questions or concerns. Additionally, we will be available to answer and address any questions or concerns regarding the foregoing, including this project's conformity to the Comprehensive Plan, Zoning and SEQRA, at the meeting tomorrow evening.

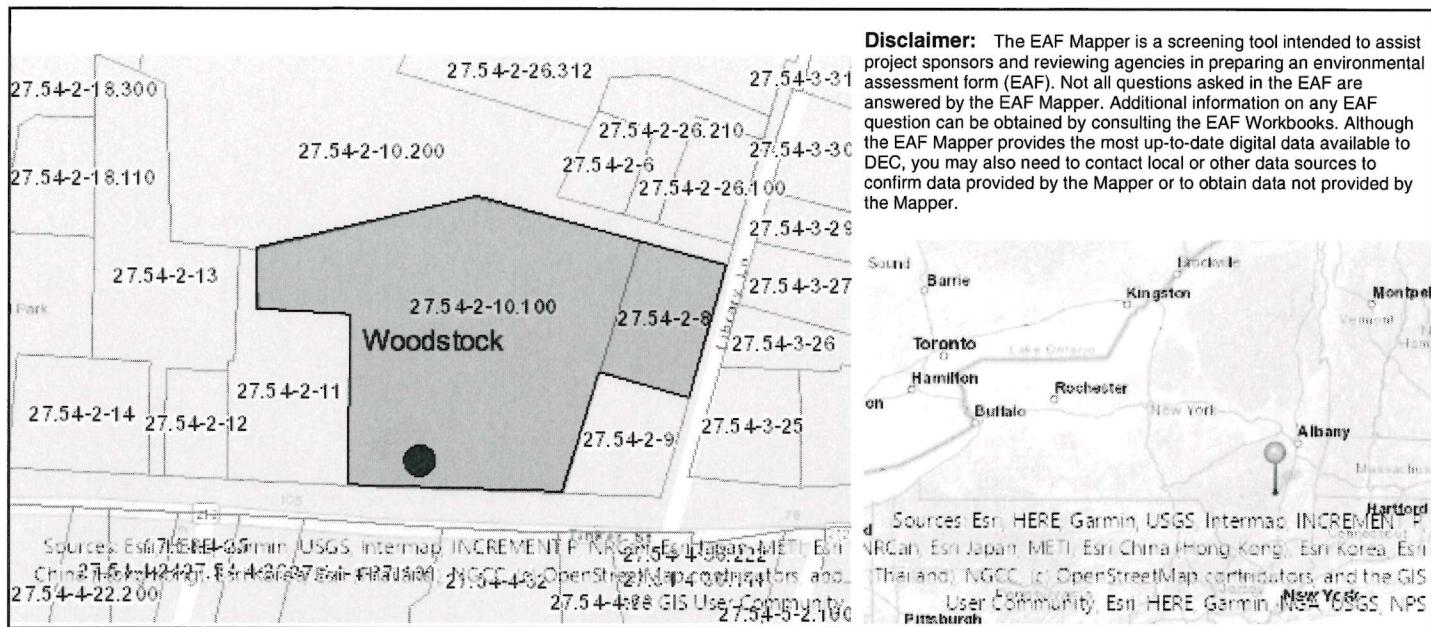

We thank you in advance for your consideration of the applicants' request in this matter.

Very truly yours,

Town of Woodstock

Proposed Local Law No. ____ of the year 2025

A local law amending: Chapter 260 of the Woodstock Code, the Zoning Law of the Town of Woodstock, Ulster County, New York, as previously amended: to modify the Hamlet Commercial (HC) District line to include entire parcels.

Be it enacted by the Town Board of the Town of Woodstock, County of Ulster, State of New York, as follows:

Section 1. Statutory Authority.

This Local Law is enacted in accordance with Article XIII of Chapter 260 of the Woodstock Code, the Zoning Law of the Town of Woodstock, as amended; Articles 9 and 16 of the Town Law of the State of New York, which grant the Town Board of the Town of Woodstock authority to enact local laws for the purpose of promoting the health, safety and welfare of the people of the Town; Article 2, Section 10 of the Municipal Home Rule Law, which gives the Town of Woodstock the power to protect and enhance its physical environment; Article 12-B, Sections 239-1 and m, of the General Municipal Law; Section 10 of the New York Statute of Local Governments; Article IX of the New York State Constitution; and other legislative authority of the State of New York, as amended from time to time.

Section 2. Findings, Purposes and Intent.

This amendment is hereby adopted to correct an anomaly in the Town of Woodstock Zoning Map regarding the below-referenced parcels whereby the district lines for the Hamlet Commercial and Hamlet Residential zoning districts run directly through the properties, even bisecting some of the buildings contained thereon. This is the result of a drafting error which occurred when the zoning map was first created since the subject lots and buildings located thereon predate the existence of the map by multiple decades. This local law shall rectify this anomaly and bring conformity to this portion of the main commercial thoroughfare of the town by moving the zoning boundary of the Hamlet Commercial District to include the entirety of the below-referenced parcels. This shall also serve to promote and effectuate the orderly physical development of the Town of Woodstock in accordance with the Town of Woodstock Comprehensive Plan, to encourage the most appropriate use of land in the Town in order to conserve and enhance the value of property, to regulate business development consistent with the character and environmental resources of the Town, to provide for adequate and suitably located commercial facilities, to realize a development plan properly designed to

conserve the use of land and to keep down the cost of municipal services and to enhance Town aesthetics and to maintain the Town's present character and natural beauty.

Section 3. Amendments to Chapter 260-9, Zoning Law of the Town of Woodstock, as follows:

This Local Law, in accordance with §260-40 and Article XIII of the Zoning Law of the Town of Woodstock, amends the Zoning Map of the Town of Woodstock, as established in §260-9 of Local Law No. 2 of the year 1989, the Zoning Law of the Town of Woodstock, as previously amended, to amend the zoning map of the Town of Woodstock by moving the zoning boundary of Hamlet Commercial (HC) District to include entirety of the following parcels:

Section27.54/Block 2/Lot 10.100

Section27.54/Block 2/Lot 8

Section 4. Repeal, Amendment, and Supersession of Other Laws.
