Woodstock Environmental Commission
45 Comeau Drive
Woodstock, NY 12498

Dear Chair Paynter and Members of Woodstock Environmental Commission,

The Planning Board would like to take this opportunity to thank you for your most recent site visit and environmental report on a current Zoning Board of Appeals undersize lot variance request application located on Glasco Turnpike.

The information you provided was thorough, complete and regarded. Your input and valued expertise on our surrounding environment is crucial to the future of our town. The collaboration with other Boards and Committees displays your eagerness to work together and remain fluid within the scope of the Woodstock law.

We, sincerely appreciate your time and efforts in protecting the environment of our town.

We look forward to upcoming applications in which we can ask you to join us on site visits and your valued opinions.

In gratitude and respect,

Peter Cross
Chairman
