

The 2027 Budget Process

The 2027 Tentative Budget has been drafted, filed, and presented to the Town Board. You can download the budget below, and watch the Supervisor's budget message from Fri Oct. 3 at this [Supervisor's 2027 Woodstock Budget Message YouTube link](#). In the next few weeks, the Town Board will meet with Department heads in "workshop" meetings to discuss those estimates. These meetings are scheduled between 9am - 5pm on Mon 10/5 - Tue 10/6, and the exact schedule can be found on the [Town of Woodstock calendar](#).

These "workshop" meetings are public so anyone may come and listen in. They occur during normal business hours to accommodate the schedules of working Town employees who must attend them. While these workshops will not be broadcast online, and there is no Public-Be-Heard, the Town Clerk will be taking minutes.
